EDUCATION

Indian Institute of Information Technology, Jabalpur

B.Tech. in Computer Science and Engineering

Aug 2024 – May 2028

Madhya Pradesh, India

Narayana Junior College

Marks: 981/1000

Jun 2022 – May 2024

Guntur, Andhra Pradesh

Oxford Public School

Marks: 575/600

Jun 2021 – May 2022

Guntur, India

PROJECTS

EcoTrack – Campus Waste Management System

Jun 2026

React.js, Node.js, Express.js, MySQL, JavaScript

[GitHub](#)

- Developed a full-stack waste management platform supporting 3 user roles: Admin, Worker, and Student..
- Implemented issue reporting, task assignment, alerts, notifications, and report tracking workflows.
- Built a gamification system featuring 4 reward mechanisms: points, badges, rankings, and leaderboards.
- Integrated MySQL database operations and REST APIs for reports, dustbins, alerts, and worker management.

Eye Disease Predictor

Jun 2026

Python, PyTorch, OpenCV, Deep Learning

[GitHub](#)

- Developed a deep learning pipeline for retinal vessel segmentation and disease classification.
- Implemented CBAM-SE attention mechanisms to enhance vessel feature extraction and focus on clinically relevant retinal patterns.
- Built a fusion model integrating retinal images with segmented vessel representations for robust disease classification.
- Trained and evaluated segmentation and classification models on the FIVES retinal imaging dataset using PyTorch.

TECHNICAL SKILLS

- **Languages:** Python, Java, C/C++, HTML, CSS, JavaScript, SQL
- **Frameworks/Libraries:** React.js, Node.js, Express.js, TailwindCSS, PyTorch, OpenCV, NumPy
- **Databases:** MySQL
- **Developer Tools:** Git, GitHub, VS Code, Jupyter Notebook, Vercel
- **Core Subjects:** Data Structures, DBMS, OOP, Computer Networks

ACHIEVEMENTS

- **Competitive Programming**
Rated **1344** on [CodeChef](#) and **1008** on [Codeforces](#). Solving 300+ problems across multiple platforms.
- **Reliance Foundation Undergraduate Scholar (2024-2025)**
In the top **5000** students selected from **100000** applicants nationwide.

VOLUNTEERING

- **Student Mentor – Counselling Committee** Served as a student guide, mentoring and supporting a group of 10 students.
- **Volunteer, Jagriti – An IIITDMJ Student Initiative** Taught underprivileged children from a nearby village as part of a student-run social initiative.
- **Abhivyakti – Arts and Crafts Club, IIITDM Jabalpur** Served as a club member, participating in creative activities, event organization, and promoting artistic engagement within the student community.
